WHY ISOCHEN SAFETY

- Certified, verified trades — ITI/Diploma, IBR boiler attendants, licensed electricians, NEBOSH/OSHA safety officers
- 100% statutory compliance — PF, ESI, insurance, and labour-law filings managed by us
- SLA-driven delivery — response times, uptime, and PM compliance reported monthly
- ISO 9001 & ISO 45001-aligned management systems (certification in progress)
- Rapid mobilisation — domestic crews in 48–72 hours, Gulf deployment in 3–6 weeks
